CENTRAL VALLEY REGION  
11020 Sun Center Drive, #200, Rancho Cordova, CA 95670

NOTICE OF PUBLIC HEARING  
to  
MODIFY RESOLUTION NO. R5-2003-0006  
which

Amends the Water Quality Control Plan for the Sacramento River and San Joaquin River Basins to Adopt Site-Specific Temperature Objectives for Deer Creek in El Dorado and Sacramento Counties

The Regional Water Quality Control Board, Central Valley Region (Regional Board) will hold a public hearing to consider modifying the language that amends the Basin Plan to add site-specific temperature objectives for Deer Creek in El Dorado and Sacramento counties. The modification will change the applicability of the site-specific temperature amendment from “discharges” to “controllable factors.” The wording change was an oversight at the time Resolution No. R5-2003-0006 was adopted and this modification corrects that oversight. After hearing testimony, the Board may choose to act on the proposals or the Board may choose to close the hearings and vote on proposals at the next meeting tentatively scheduled for October 2005. The public hearing, to be conducted during the September Regional Board meeting, is scheduled at the time and location noted below:

Date: 15 or 16 September 2005  
Time: 8:30 am  
Place: Regional Water Quality Control Board office  
11020 Sun Center Drive, Suite 200  
Rancho Cordova, CA 95670
